# INTRODUCTION

At Marling School we aim to provide a calm approach in taking exams whether it be Mocks or GCSEs/A-Levels, where each candidate has all the information needed and everyone has a level playing field. We understand that this can be a stressful time for students, so we are here to help and make the process run as smooth as possible.

Please read this entire booklet carefully so that you are fully prepared for what to expect during the exam season. There are set rules and regulations to follow from JCQ (Joint Council for Qualifications) which must be adhered to and these will be detailed in this booklet.

If at any point during the academic year, you or your parents have any queries to do with exams, please do not hesitate to call either Mrs Collier-Bromelow or Mrs Worboys in the Exams Office or email [examinations@marling.school](mailto:examinations@marling.school)

There is also useful information on the school website under the exams section which is regularly update throughout the exam season.

## **BEFORE AN EXAMINATIONS**

At the beginning of each academic year, the Exams Office will enter each candidate for all of their exams through each specific board. The candidates will need to check this information.

Things to look out for are checking your name/DOB is correct and also what level you are entered in for as some subject have a Higher or Foundation Tier.

### **CANDIDATE NAME & NUMBER:**

Each candidate is entered as follows:

First Name - initial of ONE middle name - (Legal) Surname e.g. James T Hall

Each candidate will be given a 4 digit Examination Number which you will keep throughout the whole exam season and this must be written on all papers that are sat. You can find out your number prior to the start of the exam season from your Tutor in registration. **PLEASE remember this number!**

### **TIMETABLES**

If you would like to have an early indication of exam dates, you can check each board's website for provisional timetables.

You will receive a timetable through your tutor, please check this for accuracy.

Also, your individual timetables, exam dates and times will be on your EduLink App.

Up-to-date timetables will be on the Exams Notice Boards in school and on the Marling Sixth Form website.

It is possible that you may have an **exam clash**. Please come as soon as possible to see us in the Exams Office so that we can make arrangements. Clashes are resolved by using the JCQ guidelines. Exams may be moved to a different session (AM or PM.). You may find that you take 3 exams in one day or 2 exams in one session. This is normal and follows JCQ rules.
