

# WE ARE MARLING

## WELCOME

Thank you for taking the time to read our newsletter. Here's a little taster of what we get up to at Marling. For so many different reasons, we think our school is great, but don't just take our word for it. Here's Year 7 student Marlowe; "All of the subjects at Marling are fun and we have amazing facilities, such as a massive playing and PE field. All of the teachers are very kind and welcoming."

## RESULTS

We're extremely proud of all our students' achievements. You can read more about this year's GCSE results [here](#). Whether it's in or out of school, we love recognising students' success. You can see some of our recent news and press coverage [here](#).

## TRIPS, SPORTS & CLUBS

One of the first school trips you'll encounter, is our Year 7 camp near Bristol. It's all about team-building and having fun with your classmates. You'll do kayaking, archery, rock-climbing and raft-building. You can see our whole school trips timetable, sports and extra curricular clubs [here](#)

Year 7 residential camp

## STUDENT EXPERIENCE

We do so much to ensure our students feel welcome and happy at Marling School. You can read more about our support services and pastoral care [here](#). Did we mention our outstanding dining hall and canteen? We provide freshly prepared, balanced meals every day. Here's a taste of what's on the [menu](#).
